## Fall is Coming

As Fall is approaching, the heat from the Summer is cooling off and the Sun is still out. As it starts getting cooler and cooler, it is a perfect time to get out and walk your dog before winter comes. Taking a hike or a small 15-minute walk is good enough for them. Maybe its time for those dogs to enjoy an hour or so at a dog park. Dogs love just spending time with you and will love anything you do together.
